Service Bodies
Made in Australia Sold to the World

Mission Statement

To make the best Service Bodies and transport equipment in Australia

XL Industries Pty Ltd is a manufacturer and designer of transport equipment. Our success will be based on cost effective manufacture and sales of functional and innovative transport products.

Commitment to quality manufacturing techniques will ensure our products are reliable and offer real value to our customers as our future is based on their continuing demand for our goods.

Strict adherence to these principles will ensure a sound and profitable future and the self satisfaction that comes from achieving this mission.

Nick Korganow
Managing Director

A handwritten signature in black ink, appearing to read 'N. Korganow'.
